Follow Roderick and his friends Wabi and Mukoki on their adventures in the pristine North. They fight voracious wolves, hostile natives, and the vicious elements of nature, while on the hunt. Getting more than they bargained for, they discover a mysterious cabin, and stumble upon a secret that has lain hidden for half a century. Full of twists and turns, danger and suspense, *The Wolf Hunters*, the prequel to *The Gold Hunters*, is an excellent read. (Introduction by Brian Adey)
